Library and Publisher: Key Elements of Cooperation in the Digital Area

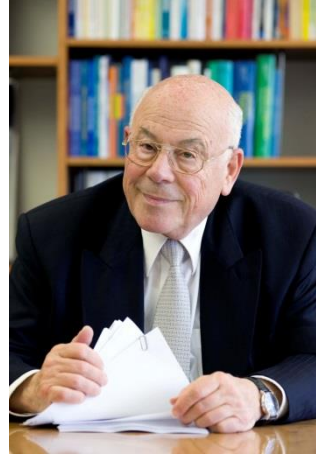

125 Years Karger Publishers 2015

Samuel Karger
1st generation

Heinz Karger
2nd generation

Thomas Karger
3rd generation

Gabriella Karger
4th generation

- Run by the 4th generation of the Karger family
- International, 8 main offices worldwide, local agencies in all 5 continents. **New: Moscow, Russia**
- Independent family-owned corporation **since 1890**
- Swiss-based, globally active

Long History – One Focus

Many Karger titles founded at the beginning of modern medical publishing – adapting the name of the medical discipline - serve as a forum for the latest developments and findings of basic and clinical research today:

- Dermatology (1893)
- Psychopathology (1897)
- Cardiology (1937)
- Chemical Immunology and Allergy (1939)
- current Vol. 100 History of Allergy

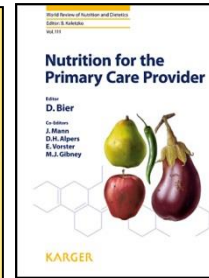

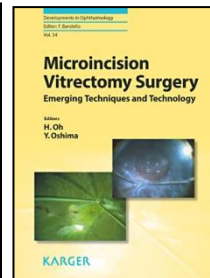

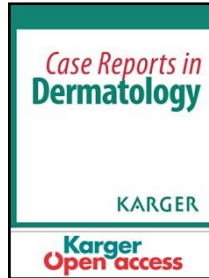

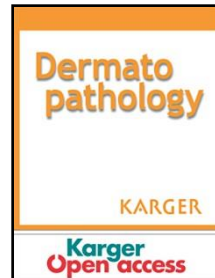

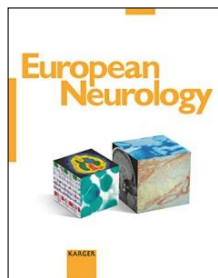

One Focus – Biomedicine

- Karger is one of the very few STM publishers specializing entirely and **exclusively in medicine**
- Leading international researchers and scientists impart their expert knowledge in Karger's editorial boards.
- All journals are peer-reviewed, guaranteeing high quality content
- Today, the program covers all areas of human medicine in a wide variety of both clinical and research subjects...

Biomedicine - Our Program

- 100 journals incl. Open Access-titles
- 40 book series
- 50 book titles per year
- 16'000 submitted manuscripts a year
- 170 Editors-in-Chief and 4'000 Editorial Board Members
- 12'500 Peer Reviewers
