XIII Всероссийская научно-практическая конференция «Фонды библиотек в цифровую эпоху: традиционные и электронные ресурсы, комплектование, использование»

Российская национальная библиотека
27-31 марта 2023 г., г. Санкт-Петербург

ООО «Датаграмм»

Купич Екатерина Николаевна

Специалист отдела электронных ресурсов

- 1997 г. - основана компания Nurimedia со штаб-квартирой в Сеуле, Южная Корея
- 2000 г. – создана платформа DBPia: предоставление электронных ресурсов для академических библиотек, колледжей, университетов и государственных учреждений
- 2013 г. - активное сотрудничество с Корейским институтом научно-технической информации (KISTI), а также с правительственными, академическими учреждениями и библиотеками Южной Кореи

Подписчики DVria

- 320 университетских библиотек Ю. Кореи
- 180 подписчиков по всему миру
- 850 высших и средних школ
- 90 публичных библиотек

- конкретному изданию

Re-search within the search result.

Select a search target (title, title + abstract, authors, keyword name) to re-search on the search result.

The screenshot displays the DBpia search interface. At the top, there is a search bar with the text 'library' and a search button. Below the search bar, there are options for 'Advanced Search', 'Library', and 'Notifications'. The main content area is divided into two columns. The left column contains a sidebar with various filters: 'All', 'Enter search terms with', 'Filters applied', 'Issue Year' (Recent 1 year (730), Recent 3 years (2,092), Recent 5 years (3,464), Custom Range), and 'Subject' (Social science (12,386), Library and Information Science (5,864), Public Administration (1,732), Social Welfare (927), Engineering (4,045), Humanities (1,295), Agriculture and Fishery (1,040), Art and Kinesiology (992), Natural science (520), Medical science (383), Interdisciplinary studies). The right column shows 'Recommended Journals' with five journal covers. Below that, the 'Results' section shows '20,990 Items' and 'All-library'. There are buttons for 'Full text' and 'Create Alert'. The first result is 'UNTERRICHTSPLANUNG ZUM TRAINING FÜR DAS LESEVERSTEHEN NIVEAU B1+ - ANHAND DES KRIMIS "MURDER IN THE LIBRARY" VON JILL AND CHARLES HADFIELD' by KWAN Yeong-Sook, published in the 'KOREA PRESBYTERIAN JOURNAL OF THEOLOGY'.

- исключить прекращенный контент
- добавить или убрать ключевое слово, используя традиционные булевы операторы

The image shows the DBPIA search interface. At the top, the DBPIA logo is on the left, and a search bar on the right contains the text 'All' and 'Keywords, Journals, Societies, Authors'. A red box with a '1' in a circle highlights the search bar area, with a label 'Advanced Search' next to it.

Below the search bar is the 'Advanced Search' form, which is annotated with a red box and a '2' in a circle. The form includes several sections:

- Select the search option:** A dropdown menu set to 'All' with a label 'Set up the search target. (Title, Journal, Publisher, Authors)'. A red line points from this label to the dropdown.
- Search:** Two input fields for search terms, each followed by an 'AND' dropdown and a '+' or '-' button. A red line points from the '+' button to a label 'Add / Delete keywords' which explains that '+' adds a keyword and '-' deletes one.
- Multilingual:** A checkbox labeled 'Multilingual' with a red line pointing to a label 'Multilingual' which explains that it allows searching for Chinese, Russian, Old Korean, and Japanese characters.
- Language:** Radio buttons for 'All', 'Korean', 'English', 'Chinese', 'Japanese', and 'Other'.
- Service discontinued content:** A checkbox labeled 'Delete' with a red line pointing to a label 'Various search conditions' which explains that it allows deleting discontinued content.
- Type of use:** Radio buttons for 'View Original' and 'Citation only'.
- Select searching option:** A red line points from the 'AND' dropdown to a label 'Select searching option' which explains that 'AND' is an intersection, 'OR' is a union, and 'AND NOT' is an exclusion.

At the bottom of the form are 'Reset' and 'Search' buttons.

The screenshot shows a web interface with two main sections: 'Keywords' and 'References (33)'. The 'Keywords' section contains a list of hashtags: #매개효과, #조절효과, #매개된 조절효과, #조절된 매개효과, #회귀분석, #mediation, #moderation, #mediated moderation, #moderated mediation, and #regression model. A red arrow points from the text 'If click the hashtag keyword, automatically search with it.' to the hashtag list. The 'References (33)' section has a blue link 'Check references of the article.' and a list of seven references. A red arrow points from the text 'Add omitted articles on the list by click the add reference.' to an 'Add References' button. A modal dialog box titled 'Please find references to this article.' is open, showing a search form with a title field, an 'Add References' button, and 'Cancel' and 'Next' buttons.

Keywords

#매개효과 #조절효과 #매개된 조절효과 #조절된 매개효과 #회귀분석 #mediation #moderation #mediated moderation #moderated mediation #regression model

If click the hashtag keyword, automatically search with it.

Информация, связанная со статьей

- проверить, какие еще статьи читают пользователи данной статьи
- просмотреть рекомендованные статьи
- оставить отзыв или просмотреть отзывы других пользователей

The image shows a screenshot of an article page with three main sections highlighted by red lines and text boxes:

- Check other articles that cited in this article.** This points to the **Cited by (1)** section, which lists one article: "A study on the librarian's key tasks of the era of the 4th Industrial Revolution" by Tae-Yeon Park, Hui-Jeong Han, Hyo-Jung Oh and others, published in the Journal of Korean Library and Information Science Society in 2018.
- Check which articles are used together by the other users.** This points to the **Frequently Viewed Together (5)** section, which lists five related articles, including "제4차 산업혁명 시대, 일자리 전략은?" and "인공지능이 가져올 4차 산업혁명 물결".
- Recommend other article that related with this article.** This points to the **Recommendations (5)** section, which lists five recommended articles, including "The Origin and Nature of the Hyper-Connected Society in the light of Political Economy" and "The Competitiveness Study about Industry's Improvement of Local Government in the Fourth Industrial Revolution".

At the bottom of the page, there is a **Review (0)** section with a "Write a review" button and a "Leave your first review." prompt. A red dashed box highlights the review area, and a text box says "Check or leave the comment on the article." with a line pointing to the review section.

- статьи можно загружать в формате PDF, пересылать, распечатывать
- цитировать, делать закладки и заметки
- сохранять в личном кабинете

The image shows a screenshot of the DBpia website interface. At the top, there is a search bar with the text 'All Keywords, Journals, Societies, Authors' and a search icon. To the right of the search bar are links for 'Advanced Search', 'Library', and 'Notification'. Below the search bar, the main content area displays a paper titled 'Fourth Industrial Revolution Impact : How it Changes Jobs' with the subtitle '제4차 산업혁명이 일자리에 미치는 영향'. The authors listed are 'Shang He Ahn(한국과학기술원), Min-Hwa Lee(한국과학기술원)'. Below the authors' names are buttons for 'Bookmark', 'Download', and 'View PDF'. A 'Cite' button is also present, which is highlighted with a red box. A red arrow points from the 'Cite' button to a 'Citation Styles' popup menu. This menu lists various citation styles: APA, MLA, Chicago, Vancouver(AMA), CSE, and APA 양식. It also includes options for 'Suggested citation styles', 'Settings', 'Select language' (Korean/English), 'Download' (Copy, HTML Download, Download TXT), and 'Export Citations' (Endnote, Refworks, Mendeley, Hangle2018/Word, Bibtext, Excel). Below the 'Cite' button, the text 'Copy the Citation.' is written.
