The screenshot displays the DBpia website interface. At the top, there is a search bar with the text "All" and "키워드, 저널, 학회, 저자 등을 입력해 주세요." and a red search icon. To the right of the search bar are icons for "Library" (70) and "Notice" (27). Below the search bar is a navigation menu with items like "Subject", "Best Articles", "Magazine", "Journal-Publisher", "Membership", and "Journal recommender". The main content area is titled "Education and Family in Korean Society". Below this, there are sections for "Journal Infomation" and "Author Infomation". The "Journal Infomation" section includes details about "The Academy of Korean Studies", "THE REVIEW OF KOREAN STUDIES | Academic journal", "Vol.14 No.1", and "2011.3 | 57 - 87 (31page)". The "Author Infomation" section lists "Yang Young-Kyun (한국학중앙연구원)". To the right of the author information is a thumbnail image of the journal cover. At the bottom of the page, there are several buttons: "Cite", "share", "Add to Library", "AI Chat", "Download", and "View PDF". The "AI Chat" button is highlighted with a red circle, and an orange arrow points from this circle to a callout box on the right.

New Features of DBpia : AI CHAT

The screenshot shows the DBpia AI Chat interface. At the top, there's a navigation bar with 'Education and Family in Korean Society', 'Go View', 'Details', 'Add to My Library', 'Download', and 'Print'. The article title 'Education and Family in Korean Society' and author 'Yang Young-Kyun' are on the left. The main content area displays the abstract: 'This paper discusses the importance of education in Korean society, particularly the impact of children's education on their families. It explores the historical context of the "education fever" in Korea and the increasing participation in the private education market. The paper also examines the financial burden that education places on families and the reasons behind their dedication to their children's education.' Below the abstract are three suggested questions: 'What is the significance of education in Korean society?', 'How has the private education market in Korea evolved over time?', and 'What are the reasons behind the dedication of Korean families to their children's education despite the financial burden?'. A blue button highlights the first question: 'What is the significance of education in Korean society?'. Below this, a snippet of the article text is shown: 'The significance of education in Korean society is paramount. Education has been highly valued in Korea since ancient times, with a strong emphasis on academic achievement and the pursuit of prestigious degrees. It has been seen as a means to social mobility and success, and has played a crucial role in shaping the country's development and modernization. The paper discusses the historical context of the "education fever" in Korea, highlighting the importance of education in Korean society. [P3] [P31]'. At the bottom, there's an 'Ask a question' input field with a microphone icon, a 'Free usage for 10 articles and 100 messages per day.' notice, and a 'My AI Chat' button.
