About us

Established in Fiesole, Italy, by Mario Casalini in 1958, Casalini Libri is one of the leading suppliers of publications from across Southern Europe to libraries and institutions worldwide.

We currently work with over 3,000 libraries and institutions, and more than 5,500 publishers from over 40 countries.

In 2020, Casalini Libri joined forces with the Dutch bookseller Erasmus to combine the experience and expertise which we are both known for and to expand the coverage of our services.

More than 20 years of experience

2000 Casalini Digital Library, the first italian “portal” for research publications

2004 EIO - Editoria Italiana Online

2010 EEO - Edición Española Online

2011 Casalini Digital Library becomes **Torrossa**

2019 IT infrastructure overhaul and complete interface redesign

2021 new content in European languages*

Torrossa coverage

Torrossa aggregates scholarly content in the Humanities and Social Sciences field (e-books and e-journals) published in **Italy, Spain, Portugal and beyond***.

*The recent joint-venture with Erasmus brought an important strategic development for Torrossa: from a mainly romance languages oriented platform to a truly pan-european and global database.

Licensing terms

One-license-fits-all approach

The “umbrella license”, the GLT (General Licensing Terms) covers the usage of the Torrossa platform

The “purchase agreement” covers the actual collection acquired by the Library (e.g. EIO, EEO, etc.)

Interface and
advanced search tools

A magnifying glass with a black handle and a silver-colored frame. The lens is clear and contains the word "features" in a bold, black, sans-serif font. The handle is positioned diagonally from the bottom right towards the center of the lens.

Accessibility

We cooperate with the **LIA Foundation** for Accessible Italian Books.

LIA is a member of W3C (World Wide Web Consortium), EDRLab (European Digital Reading Laboratory) and DAISY Consortium)

Torrossa is WCAG2 compliant, and then we are also working on the new “European Accessibility Act” compliance.

Digital Preservation

- Casalini has been cooperating with the two major digital preservation initiatives, CLOCKSS and Portico for many years. All the contracts signed by new Publishers joining Torrossa include a long-term preservation clause.
- The e-content of more than 150 publishers, both the Southern European ones (Italian and Spanish in particular) and the other European Publishers added to Torrossa through the Erasmus/Houtschild partnership, is currently preserved in Portico and/or CLOCKSS archives.

Thank you!
